A. Background

1. The Racial and Identity Profiling Act (RIPA) was formed as part of AB953 in 2016 with a goal to eliminate racial and identity profiling, improve diversity and racial and identity sensitivity in law enforcement to strengthen law enforcement-community relations in California through collaboration, transparency, and accountability.
2. AB 953 requires all city and county local law enforcement agencies in California, as well as peace officers in university educational institutions to collect perceived demographic and other detailed data regarding pedestrian and traffic stops. The bill requires an annual report to the Attorney General data on all stops.

B. When does this take effect?

1. Beginning July 1, 2018, law enforcement agencies, starting with the eight largest agencies, will begin collecting stop data and reporting the information to the DOJ.
2. For FHDAPD, the bill requires an agency that employs one or more but less than 334 peace officers to issue its first annual report by April 1, 2023.
