Housing

Both Foothill and De Anza Colleges are commuter campuses, with no on-campus or District affiliated housing.

DISTRICT SECURITY POLICIES

Reporting Crimes and Other Emergencies

Foothill – De Anza community members should make a report in a timely manner whenever they observe anything suspicious, believe they have discovered a crime, or come across a hazard, which could cause harm to them or others.

Immediate Assistance – Emergency Call Boxes

Blue Light Call Boxes are located in all parking lots on the main campuses. These phones dial directly into our 24-hour Emergency Dispatch Center, located at San Jose State University Police Department. The same 24-hour Emergency Dispatch Center can be reached by cell phone at 408-924-8000.
Limited Confidential Reporting Procedures

The FHDA Police Department encourages anyone who is the victim or witness to any crime to promptly report the incident to the police. Because police reports are public records under state law, the FHDA Police Department cannot hold reports of crime in confidence.

Confidential reports for purposes of inclusion in the annual disclosure of crime statistics can generally be made to other FHDA campus authorities. Confidential reports of crime may also be made to Crime Stoppers at 408-947-STOP (7867).

Telephone Reporting

9-1-1: For emergencies or non-emergency criminal violations, dial 9-1-1 from any District phone. You do not need to dial “9” before dialing 9-1-1. Emergency phones: Use any of the designated call boxes strategically placed on the campus for immediate connection to the FHDA Police. From cell phones, dial 408-924-8000 for emergencies only. To report non-emergencies, or for general information, please call 650-949-7313 or extension 7313 from District phones.

Anonymously Reporting

408-947-STOP (7867) - Crime Stoppers: Report information to a community organization law enforcement representative without giving your identity.

District Police Law Enforcement Support

The FHDA Police Department maintains a working relationship with local, county, city, state and federal law enforcement agencies. It often partners with the Santa Clara County Sexual Assault
Task Force, Regional Auto Theft Task Force (RATTF), Rapid Enforcement Allied Computer Team (REACT), Santa Clara County Law Enforcement Executive Council and the Santa Clara County College and University Police Chief’s Association and others. These relationships are essential and an important part of the Department’s strategy to protect students, faculty and staff.

Local Law Enforcement

Each college or center of the District shall enter into a written agreement with local law enforcement agencies. The agreement shall clarify operational responsibilities for investigations of Part I violent crimes, defined by law as willful homicide, forcible rape, robbery, and aggravated assault, occurring at each location.

The written agreement shall designate which law enforcement agency shall have operational responsibility for violent crimes and delineate the specific geographical boundaries of each agency’s operational responsibility, including maps as necessary.

The written agreements required by this policy shall be public records and shall be made available for inspection by members of the public upon request.

The Foothill – De Anza Community College District maintains written agreements with the Santa Clara County Sheriff’s Office and Sunnyvale Department of Public Safety, in compliance with the Education Code.

Reference: California Education Code Section 67381

District Police Education and Prevention

The FHDA Police Department encourages members of the community to assist in preventing crime by minimizing opportunities to become a victim by using good judgment and safety practices, and by encouraging students and employees to be responsible for their own and others’ security. During 2019, the FHDA Police Department conducted educational presentations regarding crime prevention and safety to students, faculty and staff. A variety of crime prevention handouts are available at the Foothill and De Anza police stations, as well as designated bulletin boards on campus. Refer to Appendices A & B for each college.

Emergency Response, Notification, and Evacuation Procedures

The District maintains an Emergency Operations Plan (EOP) that contains provisions to provide immediate emergency response and evacuation in the event of an emergency. This plan provides
that if there is an immediate threat to the health and safety of students or employees, occurring on campus; the FHDA Police Department, District and College Communications Office, and the Office of the President/Chancellor may, in due consideration of the prevailing circumstances, follow aspects of the EOP notification procedures.

The EOP also implements the Emergency Response Electronic Communications Procedure, which allows for the immediate notification of the campus community upon confirmation of designated incidents pertaining to the safety of students or staff on campus.

The Police Department, County Office of Emergency Services, and/or California Office of Emergency Services conduct an annual exercise of the Emergency Operations Plan, and document such exercises. Additionally, an Emergency Guide is published and distributed at each college that provides emergency response and evacuation procedures for each building on campus.

**EMERGENCY RESPONSE PLAN**

Foothill – De Anza Board Policy 3315, the Chancellor shall establish procedures that ensure that the District implements a program or plan to be activated in the event of an emergency or when a natural disaster or hazardous condition occurs. The program or plan must comply with applicable requirements of federal, state, and local emergency management agencies and any other relevant programs. The program must incorporate cooperation with appropriate federal, state, and local agencies to facilitate the coordination between and among agencies in the event of an emergency or natural disaster.

Compliance with federal, state, and local mandates include:

- Establishing a disaster preparedness program or plan
- Completion of training sessions by college personnel in compliance with federal, state, and local guidelines

District employees must be informed that as public employees they are also disaster service workers during national, state and local emergencies. The Chancellor should ensure that an Incident Command System team is created to carry out compliance with federal, state, and local mandates.

Current policies include mandates from the National Incident Management System (NIMS) and the Standardized Emergency Management System (SEMS).
Emergency Notifications

It is the policy of the FHDA CCD and Police Department, to maintain an emergency management program to protect lives (human and animal), property, and to continue necessary critical functions. The FHDA CCD shall notify affected members of the campus community of an emergency or urgent situation as rapidly as possible. The FHDA CCD shall provide timely information or instruction to members of the campus community on matters related to emergency or urgent situations.

Notification for emergency and urgent events may be made by way of the following methods:

- Emergency text message alerts
- Foothill and De Anza websites
- Broadcast email
- Telephone/cell phone notifications
- Social media sites
- Prominent posting of fliers and other informational materials on campus buildings/notification boards.

Emergency notifications include Emergency, Urgent, and Important Information situations. An Emergency is an event, expected or unexpected, that threatens life or safety and requires immediate action. An Urgent situation is incident or condition that does not pose an immediate threat to life or safety, but that is of a nature where timely receipt of information or instructions may directly affect the well-being of the recipient.

Important Information is defined as information about an emergency or urgent situation that does not present a threat but where the campus community may be concerned about safety or security. This may include all-clear messages proceeding building evacuations.

The following personnel are authorized to order a notification: Chief of Police or designee, Chancellor or designee and College President or designee. The following procedures are to be used for emergency notifications.
Confirming Emergencies

Before an emergency notification is to be sent, the authorizing individual will take prudent measures to confirm the threat of, or actual emergency condition exists. Depending upon the nature of the event he/she will contact the appropriate personnel to:

- Verify the threat/event is credible.
- Identify the potential or actual location(s), scope and impact upon life, safety and or property.
- Determine the imminence of the threat/event.

Timeliness of Emergency Notifications

Emergency notifications shall be sent without delay, unless in the professional judgment of the authorized campus official(s), sending a mass notification warning may compromise efforts to protect life, safety or property.

If the process of contacting sources to confirm a threat or emergency is creating delays based upon the available information, its source, the imminence of the threat to life, safety or property, and the professional judgment of the authorized individual, an emergency notification may be issued immediately when in the best interest of public safety.

The Notifications System shall be activated for emergency or urgent communications, or important related information. The Chief of Police or authorized individual shall direct the activation of the Notification System and designate the appropriate staff to deliver said message.

Reasonable follow-up communications shall be sent regularly for the duration of the emergency to inform the general population of significant updates. Follow-up communications shall be sent to emergency personnel and Emergency Operations Center staff for the duration of the emergency to inform them of any important changes of emergency status or other information deemed necessary for emergency operations.

An informational communication shall be sent when the emergency, urgent, or important situation has ended.

Emergency Situations

Unexpected emergencies that would activate the Notification System include, but are not limited to the following:

- Natural disasters (e.g., earthquake, fire, flood) that put the campus in immediate danger
- Chemical spills or accidents that require evacuation of the campus
• Hostage or violent situations requiring evacuation, lockdown, or closure of campus (e.g., Active Shooter)

*Urgent situations* that would activate the Mass Notification System include, but are not limited to the following:

• Natural disasters that do not pose an immediate danger but do pose a potential future danger to the campus
• Local emergencies or events that could eventually lead to evacuation, lockdown, closure, or major disruption on or off campus that could affect normal operations or threats against staff, faculty, students, affiliates, facilities, or property.

Appropriate campus officials shall be consulted as needed to determine the urgency, timing, and nature of the communication to be distributed. As circumstances allow, the decision to distribute a timely warning notice will be based on the confirmation and judgment of the Chief of Police, Chancellor, President or their designee, in consultation with relevant District or College staff. Any of the following may be used to issue immediate warnings about serious emergencies on campus: Emergency text message alerts, Foothill and De Anza websites, broadcast email and voicemail, social media sites, and prominent posting of fliers.

**Safety of Building and Grounds**

The District Police regularly patrols each campus and reports malfunctioning lights and other unsafe physical conditions to Plant Services.
Facilities and landscaping are maintained in a manner that minimizes hazardous conditions. Campus lighting typically meets or exceeds the industry standard for pedestrian walkways. Shrubbery and other vegetation are kept trimmed to avoid obstructing visibility. Parking lots throughout campus are well lit and routinely patrolled by District police officers.

In addition, the parking garage and campus elevators are equipped with a communication system that is connected to the Emergency Dispatch Center. Other members of the FHDA community are helpful when they report equipment problems to the District Police or to Plant Services. California law prohibits possession and use of weapons on both Foothill and De Anza campuses.

**Access to Campus Facilities**

During business hours, Foothill and De Anza Colleges will be open to students, parents, employees, contractors, guests, and invitees. Some facilities may have individual hours, which may vary at different times of the year. Examples are the Physical Education Facilities, the Library, and Flint Center for the Performing Arts. In these cases, the facilities will be secured according to schedules developed by the department responsible for the facility. Emergencies may necessitate changes or alterations to any posted schedules.

**Campus Security for Non-Campus Locations**

SEXUAL ASSAULT POLICIES

Sexual Assault Reporting and Assistance

The FHDA Police Department advises victims of sexual assault to 1) Contact police as quickly as possible, 2) Preserve evidence, and 3) Seek medical care. Incidents of sexual assault should be immediately reported to the law enforcement agency where the crime occurred.

The District’s Policy Statement on Sexual Assault (located on the Foothill – De Anza Community College District website at http://fhdafiles.fhda.edu/downloads/aboutfhda/4630.pdf) proclaims the Foothill – De Anza College District will not tolerate sexual assault of any kind and details the District’s complaint system. The policy includes students’ options for notifying on-campus and local police, and a statement that the institution will comply with a student’s request for assistance in notifying authorities.

The District provides support for victims of sexual assault. The colleges will change the victim or suspect’s academic schedule if changes are requested, appropriate to the situation, and reasonably available. The policy states the accuser and the accused are entitled to the same opportunities to have others present during a disciplinary proceeding, and the accuser and accused shall be informed of the outcome of any institutional disciplinary proceeding alleging a sex offense.

Sanctions available to be imposed through the District and each college’s judicial proceedings after a finding of guilt range from a reprimand to expulsion from the District.
Education and Prevention

In an effort to reduce the risk of sexual misconduct as well as the crimes of rape, sexual assault, sexual harassment, stalking, dating violence and domestic violence occurring among its students, both Foothill College and De Anza College utilize a range of campaigns, strategies and initiatives to provide awareness, educational, risk reduction and prevention programming.

It is the policy of the Foothill-De Anza Community College District to offer programming to prevent domestic violence, dating violence, sexual assault (including stranger and known offender assaults) and stalking each year. Educational programs are offered to raise awareness for all incoming students and employees, and are often conducted during new student and new employee orientation.

These programs and others offered throughout the year include strong messages regarding not just awareness, but also primary prevention (including normative messaging, environmental management and bystander intervention), and discuss institutional policies on sexual misconduct as well as the California Penal Code definitions of domestic violence, dating violence, sexual assault, stalking and consent in reference to sexual activity. Bystander engagement is encouraged through safe and positive intervention techniques and by empowering third-party intervention and prevention such as calling for help, identifying allies and/or creating distractions.

The following are some of the outreach efforts conducted in 2020:

- **Inform & Direct** – in person outreach activity only occurred the first week of Winter quarter outside RSS building Mon - Thurs ~ 12 hours/wk; directing students, answering questions, distributing maps/Title IX/Campus SaVE ACT cards. At the beginning of Spring and Fall quarter Zoom recordings were distributed to faculty to share with students, but there was no process to capture how many students viewed these recordings.

- **Movies for Mental Health** – event focused on mental health, relationship/self-care with resource info/referral. In person event on 1/21/2020 with 104 students, in collaboration with Art with Impact. The May 20th event was part of a joint Mental Health Awareness Week with Foothill Psychological Services and was so successful a second event was offered.

- **Club Day** – Number reflects Winter quarter only as campus closed. Discussed relationship warning signs/domestic violence; resources (college & community); stalking; HS bookmarker & pamphlets; used It’s On Us De Anza and “This is Love, This is Not Love” theme.
• **Self-Care week** - Remote Self-Care week events in collaboration with DASG included info/referral on Title IX with on/off campus resources. Agenda included Meditation Monday (promote mindfulness and meditation as stress relief); Talk-it-Out Tuesday (provide a space for students to talk about current struggles); UnWind Wednesday (game playing over zoom as stress reduction); Tranquil Thursday (stream videos of animals while facilitating conversation and connection).

• **Classroom visits/orientations** – (student cohort groups including ISP, EOPS, CalWORKS) presented education and services available to DeAnza student including issues of healthy relationships and resources on and off campus for students, how to help a friend. Additionally, online students were accessed through Canvas learning platform/zoom recordings and Zoom recordings on varied health/safety topics were distributed to faculty to share with students. 20 -30 students/year drop into the clinic as part of their class projects before shelter in place.

• **eCHECK TO GO** – is a personalized, evidence-based, online prevention interventions on Sexual Violence Prevention. It directly addresses the Campus SaVE Act requirements. Topics include: Definitions of sexual violence and consent; Focus on consent with realistic examples that illustrate this topic; Risk reduction for students and the campus community; Safe and positive options for bystander intervention; A focus on being part of a larger campus community effort to prevent sexual violence; Campus specific resources including Title IX officer.

If a student is accused of sexual misconduct, other gender-based violence or the crimes of rape, sexual assault, sexual harassment, stalking, dating violence or domestic violence, s/he is subject to action in accordance with the “Student Code of Conduct” procedures in the student handbook for the respective colleges.
The District and Colleges will provide individuals with information about services for counseling, health, mental health, victim advocacy, legal assistance, visa/immigration assistance, student financial aid, and other services both within the institutions and community. A student wishing to officially report such an incident may do so by contacting any of the following:

Anyone with knowledge about sexual misconduct or gender-based violence or the crimes of rape, sexual assault, sexual harassment, stalking, dating violence or domestic violence is encouraged to report it immediately.

If you are the victim of sexual misconduct, gender-based violence or the crimes of rape, acquaintance rape, sexual assault, sexual harassment, stalking, dating violence or domestic violence, some or all of these safety suggestions may guide you after an incident has occurred:
1. Go to a safe place and speak with someone you trust. Tell this person what happened. If there is any immediate danger, contact FHDA Police if you are on campus or call 911 if you are off campus.

2. Consider securing immediate professional support (e.g.: counseling, victim advocacy, medical services, etc.) to assist you in the crisis.

3. If you are on campus during regular business hours, you may go to Health Services, as well as to Counseling Services, for support and guidance. These are both confidential resources.

4. For your safety and well-being, immediate medical attention is encouraged. Further, being examined as soon as possible, ideally within 72 hours, is important in the case of rape or sexual assault. The hospital will arrange for a specific medical examination at no charge.

- To preserve evidence, it is recommended that you do not bathe, shower, douche, eat, drink, smoke, brush your teeth, urinate, defecate or change clothes before receiving medical attention. Even if you have already taken any of these actions, you are still encouraged to have prompt medical care, and evidence may still be recoverable.

- Typically, if police are involved or will be involved, they will obtain evidence from the scene, and it is best to leave things undisturbed until their arrival. They will gather bedding, linens or unlaundered clothing and any other pertinent articles that may be used for evidence. It is best to allow police to secure items in evidence containers, but if you are involved in transmission of items of evidence, such as to the hospital, secure them in a clean paper bag or clean sheet, to avoid contamination.

- If you have physical injuries, photograph or have them photographed, with a date stamp on the photo.

- Record the names of any witnesses, and their contact information. This information may be helpful to the proof of a crime, to obtain an order of protection or to offer proof of a campus policy violation.

- Try to memorize details (physical description, names, license plate number, car description,), or even better, write notes to remind you of details, if you have time and the ability to do so.

- If you obtain external orders of protection (e.g. restraining orders, injunctions, protection from abuse), please notify Foothill-De Anza District Police or the campus Title IX Coordinator so that those orders can be observed on campus.
5. Even after the immediate crisis has passed, consider seeking support from campus or community counseling center(s), and/or the local Victim/Witness Assistance Programs; 408-295-2656 https://www.sccgov.org/sites/da/victimservices/vsu/pages/default.aspx

6. Contact the Office of Student Affairs (Foothill) or the Office of College Life (De Anza) if you need assistance with concerns, such as no-contact orders or other protective measures. The staff will also assist in any needed advocacy for students who wish to obtain protective or restraining orders from local authorities. The College is able to offer reasonable academic accommodations, transportation accommodations, safety escorts, no contact orders, counseling services access and other support and resources as needed by a victim.

Legal Definitions

Rape is generally defined as forced sexual intercourse. It may also include situations where the victim is incapable of giving consent due incapacitation by means of disability or alcohol or other drugs. Many rapes are committed by someone the victim knows, such as a date or friend. The essential guilt of rape consists in the outrage to the person and feelings of the victim of the rape. Any sexual penetration, however slight, is sufficient to complete the crime.

Definition of Rape According to the California Penal Code 261:

(a) Rape is an act of sexual intercourse accomplished with a person not the spouse of the perpetrator, under any of the following circumstances:

(1) Where a person is incapable, because of a mental disorder or developmental or physical disability, of giving legal consent, and this is known or reasonably should be known to the person committing the act. Notwithstanding the existence of a conservatorship pursuant to the provisions of the Lanterman-Petris-Short Act (Part 1 (commencing with Section 5000) of Division 5 of the Welfare and Institutions Code), the prosecuting attorney shall prove, as an element of the crime, that a mental disorder or developmental or physical disability rendered the alleged victim incapable of giving consent.

(2) Where it is accomplished against a person’s will by means of force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the person or another.

(3) Where a person is prevented from resisting by any intoxicating or anesthetic substance, or any controlled substance, and this condition was known, or reasonably should have been known by the accused.

(4) Where a person is at the time unconscious of the nature of the act, and this is known to the accused. As used in this paragraph, “unconscious of the nature of the act” means incapable of resisting because the victim meets any one of the following conditions:
(A) Was unconscious or asleep.
(B) Was not aware, knowing, perceiving, or cognizant that the act occurred.
(C) Was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator’s fraud in fact.
(D) Was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator’s fraudulent representation that the sexual penetration served a professional purpose when it served no professional purpose.
(5) Where a person submits under the belief that the person committing the act is someone known to the victim other than the accused, and this belief is induced by any artifice, pretense, or concealment practiced by the accused, with intent to induce the belief.
(6) Where the act is accomplished against the victim’s will by threatening to retaliate in the future against the victim or any other person, and there is a reasonable possibility that the perpetrator will execute the threat. As used in this paragraph, “threatening to retaliate” means a threat to kidnap or falsely imprison, or to inflict extreme pain, serious bodily injury, or death.
(7) Where the act is accomplished against the victim’s will by threatening to use the authority of a public official to incarcerate, arrest, or deport the victim or another, and the victim has a reasonable belief that the perpetrator is a public official. As used in this paragraph, “public official” means a person employed by a governmental agency who has the authority, as part of that position, to incarcerate, arrest, or deport another. The perpetrator does not actually have to be a public official.
(b) As used in this section, “duress” means a direct or implied threat of force, violence, danger, or retribution sufficient to coerce a reasonable person of ordinary susceptibilities to perform an act which otherwise would not have been performed, or acquiesce in an act to which one otherwise would not have submitted. The total circumstances, including the age of the victim, and his or her relationship to the defendant, are factors to consider in appraising the existence of duress.
(c) As used in this section, “menace” means any threat, declaration, or act, which shows an intention to inflict an injury upon another.

"Consent" means positive cooperation in act or attitude pursuant to an exercise of free will. The person must act freely and voluntarily and have knowledge of the nature of the act or transaction involved. A current or previous dating or marital relationship shall not be sufficient to constitute consent where consent is at issue in a prosecution. In prosecutions in which consent is at issue, evidence that the victim suggested, requested, or otherwise communicated to the defendant that the defendant use a condom or other birth control device, without additional evidence of consent, is not sufficient to constitute consent.
In California, Penal Code section 261.6 defines consent as:

In prosecutions under Section 261, 262, 286, 288a, or 289, in which consent is at issue, "consent" shall be defined to mean positive cooperation in act or attitude pursuant to an exercise of free will. The person must act freely and voluntarily and have knowledge of the nature of the act or transaction involved. A current or previous dating or marital relationship shall not be sufficient to constitute consent where consent is at issue in a prosecution under Section 261, 262, 286, 288a, or 289.

"Duress" means a direct or implied threat of force, violence, danger, or retribution sufficient to coerce a reasonable person of ordinary susceptibilities to perform an act which otherwise would not have been performed, or acquiesce in an act to which one otherwise would not have submitted. The total circumstances, including the age of the victim, and his or her relationship to the defendant, are factors to consider in appraising the existence of duress.

"Menace" means any threat, declaration, or act which shows an intention to inflict an injury upon another.

Other Sexual Offenses

Besides rape, other sexual offenses include the following:

- Sodomy (forced anal intercourse)
- Oral copulation (forced oral-genital contact)
- Rape by a foreign object (forced penetration by a foreign object, including a finger)
- Sexual battery (the unwanted touching of an intimate part of another person for the purpose of sexual arousal).

**Sexual assault is an umbrella term for all forms of sexual violence**
HARASSMENT

Foothill-De Anza Community College District Policy AP 4640 - Harassment and Discrimination prohibits sexually violent acts, termed “Sexual Misconduct” (district policy AP5510) by the Foothill-De Anza College District, which can be crimes as well. Sexual misconduct includes non-consensual sexual intercourse, non-consensual sexual contact, sexual exploitation, interpersonal relationship violence, sex/gender-based stalking and sexual harassment.

While Foothill-De Anza Community College District utilizes different standards and definitions than the California Penal Code, sexual misconduct often overlaps with crimes of rape, sexual assault, sexual harassment, stalking, dating violence and domestic violence.

Sexual harassment is a form of misconduct that undermines the integrity of the academic environment. It is the policy of the Foothill-De Anza Community College District that sexual harassment is prohibited. All members of the Foothill-De Anza Community College District community, especially officers, faculty and other individuals who exercise supervisory authority, have an obligation to promote an environment that is free of sexual harassment. Sexual harassment is defined in Board of Trustees Policy 4640 “Harassment and Discrimination” as follows:

Harassment and Discrimination: District Policy 4640

Members of a college community, including students, faculty, staff and visitors, must be able to study and work in an atmosphere of mutual respect and trust. Foothill-De Anza Community College District is actively committed to creating and maintaining an environment, which respects the dignity of individuals and groups. The Board of Trustees supports an educational and employment environment where diverse cultures, abilities and needs are respected and where diversity offers opportunities for learning and for personal and professional fulfillment.

The District is committed to providing an educational and employment environment free of unlawful harassment and discrimination. Faculty, staff and students must be assured that the District will take action to prevent misconduct.

Accordingly, the Board adopts the following:

It is the Policy of the Foothill-De Anza Community College District to provide an educational and employment environment free of unlawful harassment and discrimination. The Board shall not discriminate against any person in the provision of any program or service based on ethnic group identification, race, religion, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex or gender, age, sexual orientation, or any other legally protected status, or on the basis of these perceived characteristics or based on association with
a person or group with one or more of these actual or perceived characteristics. Anyone who engages in unlawful harassment or discrimination shall be subject to sanctions up to and including termination of employment or expulsion in accordance with applicable contractual, procedural and statutory requirements.

Harassment

Harassment based on ethnic group identification, race, religion, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex or gender, age, sexual orientation, or any other legally protected status, or harassment based on the perception that a person has one or more of these statuses or associates with a person or persons perceived as having one or more of these statuses constitutes unlawful harassment and violates District policy.

Unlawful harassment comes in many forms and may include but is not limited to the conduct described below:

**Verbal**, inappropriate or offensive remarks, slurs, jokes or innuendoes based on a person’s race, gender, sexual orientation, or other legally protected status. This may include, but is not limited to, inappropriate comments regarding an individual’s body, physical appearance, attire, sexual prowess, marital status, or sexual orientation; unwelcome flirting, whistling, or propositions; demands for sexual favors; verbal abuse, threats or intimidation.

**Physical**, inappropriate or offensive touching, assault, or physical interference with free movement. This may include, but is not limited to kissing, patting, lingering or intimate touches, grabbing, pinching, unnecessarily brushing against or blocking another person, or sexual gestures. It also includes any physical assault or intimidation directed at an individual due to that person’s race, gender, sexual orientation, or other legally protected status. It may also include leering and staring.

**Visual or Written**: The display or circulation of visual or written material that degrades an individual or groups based on race, gender, sexual orientation, or other legally protected status. This may include, but is not limited to, posters, cartoons, drawing, graffiti, reading materials, computer graphics, or electronic media transmissions.

**Environmental**: A hostile academic or work environment exists where it is permeated by innuendo or insults or abusive comments directed at an individual or group based on race, gender, sexual orientation, or other legally protected status. An environment may in some circumstances also be hostile toward anyone who merely witnesses unlawful harassment in his or her immediate surroundings, although the conduct is directed at others.
For an unlawful harassment or hostile environment claim to be valid, in general the conduct must be sufficiently severe or pervasive so as to alter the conditions of the employment or educational environment. Subjective perception alone is insufficient evidence for a claim to be valid; an objective appraisal must be considered as well. The conduct shall be evaluated from the objective viewpoint of a reasonable person facing the same conditions.

**Sexual Harassment**

As noted throughout the preceding section of this Policy, sexual harassment may be verbal, visual, written, physical or environmental and, as such, is a form of unlawful harassment.

Sexual harassment consists of unwelcome sexual advances, requests for sexual favors, and other conduct of a sexual nature when submission to the conduct is explicitly or implicitly made a term or condition of an individual’s employment or academic status or progress.

“Quid pro quo” harassment occurs when submission to, or rejection of, the conduct by the individual is used as the basis of employment or academic decisions affecting the individual.

“Hostile environment” harassment occurs when the conduct has the purpose or effect of having a negative impact upon the individual’s work or academic performance, or of creating an intimidating, hostile or offensive work or educational environment.

**Retaliation**

The District seeks to foster an environment in which all employees and students feel free to report incidents of harassment or discrimination without fear of retaliation or reprisal. Therefore, the District also strictly prohibits retaliation against any individual for filing a complaint of harassment or discrimination or for participating in an investigation of such complaints. Such conduct is illegal and constitutes a violation of this Policy. All allegations of retaliation will be investigated. Any individual found to have violated this Policy will be subject to disciplinary sanctions, up to and including termination of employment or expulsion in accordance with applicable contractual, procedural and statutory requirements.

**Academic Freedom**

While the Board recognizes that academic freedom does not allow harassment or any other form of unlawful discrimination, the Board reaffirms its commitment to academic freedom as established in Board Policy on Academic Freedom (4190). The lecture, content and discourse (including rhetorical strategies) that are an integral part of the course or which serve a legitimate pedagogical purpose shall in no event constitute harassment or other forms of unlawful discrimination. In cases involving questions of academic freedom, the District shall consult with
the Academic Senates whenever possible or with other appropriate faculty representatives as needed, consistent with Administrative Procedures 4640.

Complaints

Appropriate action shall be taken immediately against individuals determined to be in violation of this Policy. Any individual who believes that he or she has been a victim of harassment or discrimination or retaliation in violation of this Policy may file a complaint in accordance with the District’s Procedures regarding investigation and resolution of complaints regarding harassment and discrimination.

The District has developed procedures to address complaints of discrimination, harassment and retaliation. Complaints are handled pursuant to the District’s “Procedures to Resolve Complaints Regarding Harassment and Discrimination.”

Complaints filed by students or employees regarding harassment or discrimination by third parties who are not themselves students or employees in the District shall be investigated. Additionally, the District shall forward written notice to the responsible party with a request for an investigation of the incident(s) and a report of the findings to be sent to the District.

Copies of the District’s Procedures to Resolve Complaints Regarding Harassment and Discrimination and the District's Unlawful Harassment and Discrimination Complaint forms are available in the District Human Resources Office, the District Chancellor’s Office, the President’s Office at each campus, the Office of the Vice President for Student Services (De Anza), and the Office of the Vice President of Student Development and Instruction (Foothill).

Procedures for Addressing Violations and Discipline

Procedurally, when the Foothill or De Anza College receives a report of sexual misconduct, gender-based violence, or other sex or gender discrimination the campus Title IX Coordinator is notified. If the victim wishes to access local community agencies and/or law enforcement for support, the College will assist the victim in making these contacts.

The Title IX Coordinator will offer assistance to victims in the form of interim or long-terms measures such as opportunities for academic accommodations, visa and immigration assistance, changes in working situations and other assistance as may be appropriate and available on campus or in the community (such as no contact orders, campus escorts, transportation assistance, targeted interventions, etc.).

If the victim so desires, they will be connected with a counselor on- or off-campus, as well as an on-or off-campus victim’s advocate program. No victim is required to take advantage of these services and resources, but Foothill College and De Anza College provide them in the hopes of offering help and support without condition or qualification. A summary of rights, options, supports and procedures, in the form of this document, is provided to all victims, whether they are a student, employee, guest or visitor.

When appropriate upon receipt of notice, the Title IX Coordinator will cause a prompt, fair and impartial process to be initiated, commencing with an investigation which may lead to the imposition of sanctions, based upon a preponderance of evidence (what is more likely than not), upon a responding student or other accused individual. Procedures detailing the investigation
and resolution processes of Foothill De Anza Community College can be found online here: http://fhdafiles.fhda.edu/downloads/aboutfhda/5520ap.pdf

The Title IX Coordinator is ultimately responsible to assure in all cases that the behavior is brought to an end, the College acts to reasonably prevent its recurrence and the effects on the victim and the community are remedied. The Coordinator is also responsible to assure that training is conducted annually for all advocates, investigators, hearing officers, panelists and appeals officers that encompasses a hearing process that protects the safety of victims and promotes accountability. Training will focus on sexual misconduct, domestic violence, dating violence, sexual assault, stalking, sexual harassment, retaliation and other behaviors that can be forms of sex or gender discrimination covered by Title IX and Clery Act. Training will help those decision-makers in the process to protect the safety of victims and to promote accountability for those who commit offenses.

The investigation and records of the resolution conducted by the Foothill or De Anza College are maintained confidentially. Information is shared internally between administrators who have a need to know and a right to know, while maintaining strict confidentiality. Where information must be shared to permit the investigation to move forward, the person bringing the accusation will be informed. Privacy of the records specific to the investigation are maintained in accordance with California State law and the federal FERPA statute.

Any public release of information to comply with the open crime logs or timely warning provisions of the Clery Act will not release the names of victims or information that could easily lead to a victim’s identification. Additionally, Foothill College and De Anza College maintain privacy in relation to any accommodations or protective measures afforded to a victim, except to the extent necessary to provide the accommodations and/or protective measures.

In any complaint of sexual misconduct, sexual assault, stalking, dating violence, domestic violence or other sex or gender-based discrimination covered under the federal law, Title IX, the person bringing the accusation and the responding party are entitled to the same opportunities for a support person or advisor of their choice throughout the process, including any meeting, conference, hearing or other procedural action.

Once complete, the parties will be informed, in writing, of the outcome, including the finding, the sanctions (if any) and the rationale therefor. Delivery of this outcome to the parties will occur without undue delay between notifications. All parties will be informed of college appeal processes, and their rights to exercise a request for appeal.

Should any change in outcome occur prior to finalization, all parties will be timely informed in writing, and will be notified when the results of the resolution process become final.
Sanctions may include verbal/written warnings up to termination/expulsion from college. The following is a list of possible sanctions: Reflective essay, Disciplinary probation, Behavior Plan, Psychological counseling, Community Services, Suspension or Expulsion.

**SEX OFFENDER REGISTRATION POLICY**

**The Federal Campus Sex Crimes Prevention Act**

The Federal Campus Sex Crimes Prevention Act requires the Foothill – De Anza Community College District to inform the campus community where to find information on registered sex offenders. California law requires sex offenders to register with their local police or sheriff, which places their names in a statewide database. The State of California Registered Sex Offenders database can be accessed at [http://www.meganslaw.ca.gov/](http://www.meganslaw.ca.gov/). If you need more information, contact your local law enforcement agency or contact the FHDA Police Department at 650-949-7313, or on-line at [https://police.fhda.edu/_resources-top-menu/d-megans-law.html](https://police.fhda.edu/_resources-top-menu/d-megans-law.html).

**Sex Offender Registration**

California Penal Code Section 290.01 requires every person who was convicted of a sex offense to register with the Campus Police Department of a College or University within Five (5) days where he/she is:

- Enrolled as a Full-time student.
- Enrolled as a Part-time Student.
- Employed as a Full-time Staff, Faculty, or Instructor.
- Employed as a Part-time Staff, Faculty, or Instructor.

MISSING STUDENT NOTIFICATION PROCEDURE

Missing Persons

If a person has not returned home, failed to appear for work, class, an appointment as anticipated, or there is a belief that something is suspicious about his or her absence, report the situation to law enforcement.

You need not – and should not – wait 24+ hours to report a missing person. Anyone can file a missing person report, but Campus Officials who become aware of a potentially missing student must report associate information immediately to the FHDA Police Department.

Pursuant to California Penal Code 14205(a), a law enforcement agency must take a missing person report without delay. When a report is filed with the FHDA Police Department, a complete and thorough investigation surrounding the incident will be conducted by the appropriate jurisdiction.

In compliance with federal law, during registration, students have the option to specify contact(s) to be notified in the event the police determine someone is a missing person. This contact information is kept confidential and only accessible by authorized college officials for disclosure to law enforcement personnel during a missing person investigation.

Federal law also requires the college to inform students that an emergency contact will be notified within 24 hours of a person being determined as missing. For non-emancipated minors, a custodial parent or guardian will be notified in addition to any listed emergency contact(s). The college may make additional notifications as necessary, and as provided for by FERPA, to resolve a safety emergency; including notifying parents or guardians, even when they were not specifically listed by a student as an emergency contact.

CRIME STATISTICS

The crime statistics required under the Clery Act were compiled by the Foothill – De Anza Community College District Police Department in cooperation with the Foothill – De Anza College District, campus officials having responsibility for oversight of student activities, and relevant local agencies. Crime definitions are from the Uniform Crime Reporting (UCR) Handbook and sex offense definitions are from the National Incident Based Reporting System (NIBRS) edition of the Uniform Crime Reporting Program. Students, faculty and colleagues work together to inform the campus community of issues related to sexual violence. The college continues its commitment to support an environment in which all employees and students can work and learn free of harassment, discrimination, and sexual violence.

The Office of Equity, Social Justice, and Multicultural Education and the Equity Council according to its mission helps facilitate campus wide development and support, engagement, and implementation of programs that are in line with De Anza College’s Vision of equity, social justice and multicultural education. Examples of their efforts are:

Three Gender-neutral restrooms have been added at De Anza College. These single occupancy gender – neutral restrooms provide a safe and discrimination free restroom for people who are not comfortable using single-sex restrooms. The restrooms meet the De Anza goal of having all people feel safe and included. The hope is to have more gender-neutral restrooms in the future.

“Men Addressing Violence: A Peace & Justice Summit” workshop was offered to students and staff as an effort to address men’s issues. Topics included domestic violence, teen and dating violence, and raising boys to manhood. The intent was to present a workshop which provided information and encouraged dialogue about men’s issues. Better informed participants make wiser decisions in regard to sexual appropriate behavior.

Psychological Services staff after attending a training workshop developed a series of three LGBTQIA workshops. The workshops focused on reducing the stigma of publicity and helped attendees recognize when micro aggression and sexual violence had been directed against them. The workshops were offered in 2016 and continue to be available.
